Fatal Accident.

Mr. WM. McClannahlen, of Goshen township met with a serious and fatal accident, on Monday morning, last. He fell from a load of hay, and it is supposed, broke his neck by the fall. He died instantly. Mr. McClansanen was much respected by all who knew him. What a forcible illustration of the great and impressive truth--"In the midst of life we are in death!"

Several of Miss dence--and Dr. Carroll addressed the schools and the audience in a very neat and appropriate speech, in his usual happy style of oratory. After the reading, declamations &c., the pupils adjourned to another part of the same grove for refreshments, and we came away. We understand they had a the State. Mrs Partyngtonr & says old Pluto (the kind old lady meant Platarch, she didn't know she was swearing, though it e'ena'most killed Ike,) has more lives than a cat, if all Pluto's lives belong to him.

@T ersons who are asking..." What have we to do with slavery ?" -- will find an answer to their query by reading the articles from the pen of our correspondent-"Republican." He wields a ready pen, and understands his subject.

Let no one neglect to read the speech of Thos Il. Ford, in to-day's paper. His manly dignity in bearding the compact-breakers and hurling defiance in their very teeth, is refreshing. Mark the ready wit he manifests in his repartee, and the beautifu eloquence of his denunciation. We cannot endorse his views on naturalization, but we can adm re his talents.

If you have contracted the terrible disease which, when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very with fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city life fish, and flif the papers with glaring laisehoods too well calculated to deceive the young and those not acquainted with their tricks.—You cannot be too careful in the selection of a remedy in these cases.

You cannot be one care in these cases.

The FLUID EXTRACT BUTCH has been pronounced by eminent physicians the GREXTEST REMEDY EVER KNOWN.
